

ANDREW JAY NOSS

Coordinator, Master of Sustainable Development Practice (MDP) Program
and Affiliate Assistant Professor, Department of Geography
University of Florida
470 Grinter Hall, P.O. Box 115560
Gainesville, FL 32611; 352-392-3293
anoss@ufl.edu

EDUCATION

Ph.D., Geography and Tropical Conservation, Certificate in African Studies, University of Florida, Gainesville, FL. Dec. 1995.

M.A., International Economics/Social Change and Development, Johns Hopkins University School of Advanced International Studies, Washington, D.C. May 1989.

B.A. (summa cum laude, Phi Beta Kappa), International Relations, Carleton College, Northfield, MN. June 1986.

PROFESSIONAL CAREER

Coordinator, Master of Sustainable Development Practice Program, Center for African Studies / Center for Latin American Studies, University of Florida, September 2014-present.

Provide administrative oversight of Master's Degree and Certificate, support and advise students, engage with partners and stakeholders, manage program budget, assist with proposals and reports.

Affiliate Assistant Professor, Department of Geography and Center for African Studies, University of Florida. July 2015-present.

Adjunct Assistant Professor, Department of Geography and Center for African Studies, University of Florida. Spring 2014.

Design, develop and teach AFS/GEO 4938 African Environmental Issues. Teach GEO 3600 Geography of Africa.

Adjunct Professor of Geography. Santa Fe College, Gainesville, FL. Summer-Fall 2013.
Teach World Regional Geography.

Senior Advisor, Paragon Philanthropy, Advisors in Global Giving, San Francisco, CA. 2012-2014.

Advise Paragon Philanthropy client FUNDESNAP (Bolivia protected areas fund) on relations with donors in the United States; assist International Rescue Committee with preparation of \$16 million proposal for 3-year project in Chad, Democratic Republic of Congo, Pakistan and Myanmar.

Consultant, Jaguar Conservation Program, Wildlife Conservation Society, Gainesville, FL. September-November 2013.

Review literature and update camera trapping protocol for jaguar field surveys.

Consultant—Coastal protected areas management plans. Wildlife Conservation Society, Bata, Equatorial Guinea. March-June 2012.

Advise and support INDEFOR-AP (National Parks Service, within the Ministry of Agriculture and Forests) in the implementation of the Río Campo Natural Reserve Management Plan. Prepare draft management plans for the Punta Llende Natural Reserve, the Playa Nendyi Scientific Reserve, and the Montes Temelón Natural Reserve.

Project Director—Integrated Management of Indigenous Lands Project. Wildlife

Conservation Society, Quito, Ecuador. July 2007-December 2011.

Direct a 4-year, \$6.095 million USAID-funded project to support consolidation and integrated management of Waorani, Kichwa, Cofán, Awá, Chachi, Secoya, Sápara and Pasto indigenous territories in Amazon and Chocó regions respectively. The support to the Awá and Cofán peoples extends into neighboring Colombia. Coordinate joint programs with indigenous organizations (FCAE, NAWA, AMWAE, FEINCE, FSC, FICCKAE, FECHE, NASE, Mesa Permanente Cofán) and other partners (Fundación Altrópico, Fundación VIHOMA, Fundación Naturaleza & Cultura Internacional, FOCAO, FEPP, Ecodecisión, Geoplades, WWF, CI, TNC, Rainforest Alliance, CARE, DED). Supervise technical and administrative reporting to USAID.

Coordinator—Santa Cruz Program. WCS, Santa Cruz, Bolivia. December 2002-June 2007.

Coordinate administration of WCS-Bolivia activities in Santa Cruz: Kaa-Iya Project in Chaco with Capitanía de Alto y Bajo Isoso (CABI), Program for the Conservation of the Chiquitano Forest with Fundación para la Conservación del Bosque Chiquitano, Confauna with Noel Kempff Mercado Natural History Museum, Fundación DeSdelChaco (Paraguay).

Conservation Zoologist. WCS, Santa Cruz, Bolivia. April 1996-June 2007.

Direct community wildlife management program of Kaa-Iya Project. Train and supervise field researchers: professional biologists, graduate and undergraduate thesis projects, undergraduate field and laboratory practicals, community para-professionals and volunteers, short courses. Direct socio-economic research on natural resource exploitation (subsistence hunting, fishing, commercial hunting) by indigenous groups, evaluation with respect to other economic activities. Direct biological research on game species, endangered species, landscape species, wildlife and livestock health. Develop long-term sustainable exploitation program with 24 Izocéño communities in Isoso Indigenous Territory. Direct complementary biodiversity research and monitoring in Kaa-Iya del Gran Chaco National Park.

Research Associate. Duke University Primate Center, Durham, NC. June 1995-March 1996.

Researched and published on conservation and sustainable wildlife utilization in Central African Republic.

Consultant, Population and Human Resources Department. World Bank, Washington, D.C.

Nov. 1989-Aug. 1991.

Analyzed effects of structural adjustment lending on education and labor markets in developing countries. Authored review of the literature on education and structural adjustment.

Project Assistant. Academy for Educational Development, Washington, D.C. April-July 1989, June-September 1988.

Produced project reports, project and country budgets for HIV/AIDS communication, education, and management training projects. Supported short- and long-term consultants.

Composition Specialist, SAIS Review, Washington, D.C. Feb. 1988-May 1989.

Edited manuscripts for publication in semi-annual journal of international affairs.

Project Manager (volunteer), American Lutheran Church, Garoua Boulai, Cameroon. May 1987.
Directed fishpond construction: recruiting volunteer labor, procuring supplies, budgeting.

Volunteer, Student Aid for Agricultural Development, Nairobi, Kenya. Sep.-Dec. 1986.
Assisted team of volunteers in demonstrating soil erosion prevention methods, constructing ferro-cement water tanks at harambee schools in western Kenya.

Intern, U.S. Department of State, Bureau of African Affairs, Office of Regional Affairs, Washington, D.C. Jun.-Aug. 1985.

FELLOWSHIPS

International Doctoral Research Fellowship, Social Science Research Council: 1993-1994,
Bayanga, Central African Republic.

Foreign Language and Area Studies Fellow, University of Florida, Center for African Studies:
1991-1993

Olmsted Fellow, Johns Hopkins University SAIS: 1987-1989

Watson Fellow, Thomas J. Watson Foundation: 1986-1987. Study of rural development projects
in Africa: Cameroon, Chad, Ethiopia, Kenya, Tanzania, Uganda.

GRANTS

University of Florida, Center for Latin American Studies, Gainesville, Florida

Project assistant for PI Steve Perz, \$750,000, 2014-2015. Peru. USAID-American Council on
Education-Higher Education for Development Program (HED). Strengthening Alliances between
Universities and Other Research Organizations to Build Capacity for Applied Environmental
Research in the Andes-Amazon Rim. Partners in Brazil, Colombia, Ecuador, and Peru.

Paragon Philanthropy, Advisors in Global Giving, San Francisco, California

Proposal editor. 2012. Review technical proposal and budget for International Rescue Committee, \$16
million proposal to Susan Thompson Buffett Foundation for 3-year Family Planning and Post
Abortion Care in Emergencies in Chad, Democratic Republic of Congo, Pakistan and Myanmar.

Wildlife Conservation Society, Quito, Ecuador.

PI and Director: 2007-2011. \$6,095,000 USAID-Ecuador and USAID/DCHA/CMM (Bureau of
Democracy, Conflict and Humanitarian Assistance / Office of Conflict Management and
Mitigation) Grant No. 518-A-00-07-00054-00 + \$1,269,000 WCS matching funds + \$1,690,000
matching funds leveraged from partners. Integrated Management of Indigenous Lands Project.
Ecuador and Colombia.

Co-PI. Tinker Foundation. \$135,000. 2005-2007. Strengthening the capacity of protected area
management committees in the Central Andes (five protected areas in Bolivia, Ecuador, Peru).

Wildlife Conservation Society, Santa Cruz, Bolivia. April 1996-June 2007.

Co-PI. USAID Grant No. 511-0000-G-00-6031, Cooperative Agreement No 511-A-00-01-00005.
\$6,297,799. 1996-2003. Kaa-Iya Project.

Co-PI. Gordon and Betty Moore Foundation. \$1,403,700 (of \$14.5 million grant for seven landscapes in five countries). 2004-2009. Conserving Amazonian landscapes: Kaa-Iya del Gran Chaco.

Co-PI. Kaa-Iya Foundation. \$225,000. 2005-2007. Jaguar conservation, ecotourism, environmental education, Guaraní museum.

Co-PI. Shared Earth Foundation. \$45,000. 2003-2007. Conserving the guanaco—Bolivia’s flagship species.

Co-PI. Beneficia Foundation. \$30,000. 2005. Conservation of the endangered mammals of the Bolivian dry forests.

Co-PI. One-WCS species conservation grant. \$4,000. 2005. *Amazona aestiva*.

Co-PI. Ramsar Wetlands For the Future. \$5,000. 2006-2007. Recuperación del Humedal Palmar de las Islas.

Co-PI. International Foundation. \$13,000. 2007-2008. Conservation in the Bolivian Chaco: promoting sustainable natural resource use among indigenous women’s groups.

Co-PI. Cleveland Metroparks Zoo, Scott Neotropical Fund. \$5,000. 2007. Fauna survey and design of Campo Grande indigenous communal protected area.

Supervisor. Crowder Messersmith Conservation Fund, Audubon Naturalist Society. \$1,500. 2007. *Amazona aestiva* flock use of *Acacia* aroma patches: population monitoring and design of a communal reserve in the Isoso indigenous territory.

Proposal Co-editor. USAID. \$400,000. 2007-2009. Conflict mitigation and reconciliation through cross-cultural and internal dialogue with indigenous organizations in lowland Bolivia (WCS, CABI, CIDOB).

University of Florida, Bayanga / Dzanga Sangha Special Reserve, Central African Republic. Doctoral dissertation research. Aug. 1993-Dec. 1994.

PI. International Doctoral Research Fellowship, Joint Committee on African Studies of the Social Sciences Research Council and the American Council of Learned Societies with funds provided by the Ford, Mellon, and Rockefeller Foundations: 1993-1994. \$16,000.

PI, Sigma Xi Grant-in-aid of research: 1993-1994, Bayanga, Central African Republic. \$3,000.

PI, World Wildlife Fund research grant: 1994, Bayanga, Central African Republic. \$3,000.

PI, Summer Predissertation Research Grant, University of Florida, Center for African Studies: 1992. Cameroon, Central African Republic. \$2,000.

EXTERNAL THESIS ADVISOR

Laura Franklin, PhD. Department of Wildlife Ecology and Conservation, University of Florida. 2022-present.

María de Gracia Grande Vega, PhD en Ingeniería y Gestión de Medio Natural. Escuela Técnica Superior de Ingeniería de Montes, Forestal y del Medio Natural, Universidad Politécnica de Madrid. Completed 2026 (external examiner).

Akhil Kshirsagar, PhD. “The impacts of human-animal interactions and zoonotic disease: a

- geographic sampler.” Department of Geography, University of Florida. Completed 2024.
- Stephanie Insalaco, Undergraduate Honors Thesis. “Opinions on coral reef conservation at the University of Florida.” Department of Geography, University of Florida, Fall 2019.
- Maria Waked, MDP. “Pedagogical trekking as a tool for local tourism in Tilcara (Argentina).” Master of Sustainable Development Practice (MDP) program, University of Florida. Completed 2019.
- Rosario Arispe, M.A. “Efecto en el tiempo del manejo forestal: la respuesta de una comunidad de mamíferos terrestres en un bosque certificado de Bolivia.” Universidad Autónoma Gabriel René Moreno, Santa Cruz, Bolivia. Completed 2018.
- Farah Carrasco-Rueda, Ph.D. “Land-use change and biodiversity: understanding patterns, driving mechanisms and impacts of mitigation.” School for Natural Resources and Environment, University of Florida. Completed 2018.
- Becky Zug, Ph.D. “Andean bear (*Tremarctos ornatus*), puma (*Puma concolor*), and biodiversity conservation on private lands in the Ecuadorian Andes: implications for conservation in a human-dominated landscape.” University of Wisconsin-Madison. Completed 2017.
- Matthew Hallett, Ph.D. “Landscape-scale research as a tool for engaging communities in a shared learning process in the Rupununi Region of Guyana.” School for Natural Resources and Environment, University of Florida. Completed 2017.
- Grace Kihombo, MDP. “Assessment of factors contributing to girls’ school attendance and academic performance on Form Four national examinations in Mbeya Region, Tanzania.” Master of Sustainable Development Practice (MDP) program, University of Florida. Completed 2017.
- Julia Salvador, M.S. Department of Wildlife Ecology and Conservation, University of Florida. Completed 2015.
- Verónica Quiroga, Ph.D. “Ecología y Conservación del Yaguareté (*Panthera onca*) y el Puma (*Puma concolor*) en el Chaco semiárido argentino: su relación con la disponibilidad de presas y la presencia humana en la región,” Universidad Nacional de Córdoba, Argentina. Completed 2013.
- Johnny Marcos Ayala Crespo, MSc. en Ecología y Conservación, “Estudio de la comunidad de primates en el Alto y Bajo Isoso (Gran Chaco), Santa Cruz, Bolivia.” Instituto de Ecología, Universidad Mayor de San Andres, La Paz, Bolivia. Completed 2011.
- Alfredo Romero-Muñoz, BSc., “Densidad, patrones de actividad y comportamiento espacial de felinos en dos sitios del Gran Chaco con diferente presión de ganadería,” Universidad Mayor de San Simón, Cochabamba, Bolivia. Completed 2008.
- Gladis Huanca Huarachi, BSc., “Uso de hábitat y tamaño poblacional del jochi pintado (*Cuniculus paca*) en la zona norte de la unidad de conservación Amboró y Carrasco,” Universidad Autónoma Gabriel René Moreno, Santa Cruz, Bolivia. Completed 2007.
- Guido M. Ayala C., BSc., “Monitoreo de Tapirus terrestres en el Izozog (Cerro Cortado) mediante el uso de telemetría como base para un plan de conservación,” Universidad Mayor de San Andrés, La Paz, Bolivia. Completed 2003.
- Clara Rosa Rojas Suarez, BSc., “Reproducción de *Dasypus novemcinctus* en el Izozog, Santa Cruz, Bolivia. Universidad Autónoma Gabriel René Moreno, Santa Cruz, Bolivia. Completed 2001.

Ana María Mamani Faldín, BSc., “Historia natural y uso de *Ortalis canicollis* en Izozog, Provincia Cordillera, Departamento de Santa Cruz,” Universidad Autónoma Gabriel René Moreno, Santa Cruz, Bolivia. Completed 2000.

EXTERNAL THESIS REVIEWER

Programa de Biología, Universidad Autónoma Gabriel René Moreno, Santa Cruz, Bolivia.

Programa de Pós-Graduação em Ecologia & Conservação – PPGEC, Universidade Federal de Mato Grosso do Sul, Brasil.

Programa de Biología, Universidad Nacional de Colombia, Bogotá, Colombia.
