

CURRICULUM VITAE

JOHANNA ENGSTRÖM

RESEARCH INTERESTS

GIS, Hydroclimatology, Sustainable Water Management, Renewable Energy, Climate services.

EDUCATION

Ph.D., Geography **2012- 2017**

Certificate in Applied Atmospheric Sciences

UNIVERSITY OF FLORIDA, Gainesville, Florida, USA

Dissertation title: *The influence of large-scale climate drivers on the hydroclimatology and hydropower production in Southeastern United States.*

Adviser: Dr. Peter Waylen

Master of Science, Physical Geography and Ecosystem Analysis **2009-2011**

LUND UNIVERSITY, Lund, Sweden

M.S. thesis: *Impacts of Northern Hemisphere teleconnections on the hydropower production in Southern Sweden.*

Adviser: Dr. Cintia Bertacchi Uvo

Exchange student, Department of Geography **August-December 2010**

Trans-Atlantic Science Student Exchange Program

UNIVERSITY OF FLORIDA, Gainesville, Florida, USA

Full-time scholarship

Bachelor of Science, Physical Geography **2005-2009**

LUND UNIVERSITY, Lund, Sweden

B.S. thesis: *How the landscape affects the wind –from a wind power perspective.*

Adviser: Dr. Maj-Lena Linderson

PROCIVITAS PRIVATE GYMNASIUM, Malmö, Sweden **2003-2005**

The Social Science Program (Business)

PROFESSIONAL EXPERIENCE

Assistant Professor **August 2021-present**

Geography Department, University of Florida

Assistant Professor **August 2020-August 2021**

Applied Aviation Sciences, Embry-Riddle Aeronautical University, Daytona Beach

Postdoctoral Research Associate **Sept 2019-May 2020**

Center for Complex Hydrosystems Research, Department of Civil, Construction and Environmental Engineering, University of Alabama

Principal Investigator: Dr. Hamid Moradkhani

Geospatial Services Manager **2017-2019**

Geography Department, University of Alabama

GIS Certificate Program Director, Instructor, Manager of the Map Library

Visiting Researcher **March 2019**

National Center for Atmospheric Research (NCAR), Boulder, Colorado

Capacity Center for Climate and Weather Extremes

Ph.D. Student and Teaching Assistant <u>Geography Department, University of Florida</u>	2012-2017
Graduate Assistant <u>Program for Resource Efficient Communities, University of Florida</u> Analysis of optimization for limiting environmental impacts of suggested community developments.	2012-2013
Wind power consultant <u>Sweco, Malmö, Sweden</u> GIS-specialist, business developer and technical assistant in the onshore and offshore wind power sector.	2011-2012
Geodata manager (part time) <u>E.ON Vind Sverige AB, Malmö, Sweden</u> Managing map material, designing and evaluating new sites for wind parks, etc.	2009-2011
Sales representative (part time) <u>Statoil, Lomma, Sweden</u>	2008-2011

PRESENTATIONS:

Invited Talks

Engström, J. 2019. *Analyzing hydroclimate for hydro power management applications, using teleconnections and satellite data*. National Center for Atmospheric Research, Boulder, CO.

Engström, J. 2019. *What is GIS and how can it boost your research?* University of Alabama Libraries, Tuscaloosa, AL.

Engström, J. 2017. *Hydropower in the Southeast: Balancing Lakeview and Production Optimization*. American Geophysical Union Fall Meeting, New Orleans, LA.

Engström, J. 2017. *What is GIS and how can it boost your career?* University of Alabama GIS Day

Engström, J. 2016. *The influence of large-scale climate drivers on the hydroclimatology and hydropower production in Southeastern United States*. Water Research Group, University of Alabama.

Engström, J. 2014. *The value of hydropower*. Warrington Business College, University of Florida.

Engström, J. 2013. *How to use ArcGIS and CommunityViz in the evaluation process of new development designs*. College of Design, Construction and Planning, University of Florida.

Engström, J. 2012. *Freedom of Press and Expression in Sweden*. College of Journalism and Communication, University of Florida.

Conference Presentations

Wallace, R.J., Truong, D., Stansbury, R.S., & **Engström, J.**, 2021. *SUAS Operational Trends: A Multi-Year Detection Study in Controlled Airspace*. International Virtual Conference on Air Mobility with Unmanned Systems and Engineering (AMUSE), Nanyang Technical University, Singapore.

Engström, J., Bearden, B, Guthrie, G. & G. Tootle, 2019. *Declining water resources in Alabama and Mississippi, as identified by the GRACE satellites*. (Poster) American Geophysical Union Fall Meeting, San Francisco, CA.

Lombardi, R., Therrell, M. D., Elliott, E. A., & **J. Engström**, 2019. *Trans-Atlantic Paleoflood Frequency and Magnitude in the Common Era: When, where, and why do extreme floods occur?* (Poster) American Geophysical Union Fall Meeting, San Francisco, CA.

Engström, J. & D. Keellings, 2019. *Future Outlooks of Drought in Southeastern U.S.* Alabama Water Institute Symposium, Tuscaloosa, AL.

Engström, J., 2019. *Studying Alabama's Water Using the GRACE Satellites*. Alabama Water Resources Conference, Orange Beach, AL.

Engström, J. & D. Keellings, 2018. *Drought in the Southeast: Future Outlooks*. American Geophysical Union Fall Meeting, Washington, D.C.

Engström, J. & D. Keellings, 2018. *Drought in the Southeast: Future Outlooks*. Southeastern Division of Association of American Geographers Annual Meeting, Johnson City, TN.

Keellings, D. & **J. Engström**, 2018. *The Future of Drought in the Southeastern U.S.: Projections from downscaled CMIP5 models*. American Association of Geographers Annual Meeting, New Orleans, LA.

Keellings, D. & **J. Engström**, 2017. *The Future of Drought in the Southeastern U.S.: Projections from downscaled CMIP5 models*. (Poster) American Geophysical Union Fall Meeting, New Orleans, LA.

Engström, J. 2017. *Hydropower in the Southeast under competing interests, -a network analysis*. Southeastern Division of Association of American Geographers Annual Meeting, Starkeville, MS.

Engström, J. & P.R. Waylen, 2016. *Hydropower in Southeastern United States, -a Hydroclimatological Perspective*. (Poster) American Geophysical Union Fall Meeting, San Francisco, CA.

Engström, J. & P.R. Waylen, 2016. *Hydropower in Southeastern United States: Going with the flow or not?* Southeastern Division of Association of American Geographers Annual Meeting, Columbus, SC.

Engström, J. & P.R. Waylen, 2016. *Variations of, and Changes in the Hydroclimatology of the Southeast United States*. (Poster) University of Florida Water Institute Symposium, Gainesville, FL.

Engström, J. & P.R. Waylen, 2015. *Variations of, and Changes in the Hydroclimatology of the Southeast United States*. (Poster) American Geophysical Union Fall Meeting, San Francisco, CA.

Engström, J. & P.R. Waylen, 2015. *Precipitation and runoff variability in southeast United States*. Association of American Geographers Annual Meeting, Chicago, IL.

Engström, J., D. Keellings & P.R. Waylen, 2015. *The Sunshine State: Investigating External Drivers of Sky Conditions in Florida*. Florida Society of Geographers Annual Meeting, Jacksonville, FL.

Engström, J. & P.R. Waylen, 2014. *The effect of teleconnections on river discharge in southeast United States*. Southeastern Division of Association of American Geographers Annual Meeting, Athens, GA.

Engström, J., 2014. *Climate impacts on hydropower in the Southeast United States*. Association of American Geographers Annual Meeting, Tampa, FL

TEACHING EXPERIENCE

GEA1000: Geography for a Changing World	University of Florida	2012-2015
GEA3500: Geography of Europe	University of Florida	2013-2016
GEO2200: Physical Geography (Online)	University of Florida	2014-2016
GEO2200L: Physical Geography Lab (Online)	University of Florida	2016
GY101: Atmospheric Processes and Patterns	University of Alabama	2018-2019
WX201: Survey of Meteorology (Online)	Embry-Riddle	2020
WX299: Special Topics in Applied Meteorology	Embry-Riddle	2021
GEO215: Introduction to Geoscience	Embry-Riddle	2021
GEO310: Advanced Geographic Information Systems	Embry-Riddle	2020-2021
GEO402: Applied Geographic Information Systems	Embry-Riddle	2021

COMPETITIVE ACADEMIC AWARDS

Center for Teaching and Learning Excellence, Embry-Riddle Aeronautical University (\$500) <i>Mini-grant for course development</i>	2021
Alabama Water Institute, Best Post-doc Presentation	2019
European Commission, Marie Skłodowska-Curie Actions Seal of Excellence	2019
University of Florida, Geography Department, Top student paper of the year (\$150)	2017
American Geophysical Union, Outstanding Student Poster Award (\$150)	2016
University of Florida, College of Liberal Arts and Sciences Dissertation Fellowship (\$7,000+tuition)	2016
University of Florida, Office of Research (\$400)	2016
University of Florida, Graduate School Dissertation Award (\$9,000)	2016
University of Florida, College of Liberal Arts and Sciences, PreDoc Fellowship, (\$5,000/year)	2012-2016
University of Florida, Geography Department Poehling Award (\$1,500) <i>Departmental Service and Academic Excellence</i>	2015
University of Florida College of Liberal Arts and Sciences Travel Award (\$300)	2015
University of Florida Graduate Student Council Travel Grant (\$350)	2015
Association of American Geographers (\$300) <i>Water Resources Specialty Group Student Travel Award</i>	2015
University of Florida International Center <i>Certificate of Outstanding Academic Achievement</i>	2012, 2013

SERVICE AND VOLUNTEER WORK

- Academic Network Delegate to United Nations Global Geospatial Information Management (UNGGIM) -Americas 2020.
 - Representative for University of Alabama, UN-GGIM Academic Network, 2018-2020.
 - Judge, AGU Outstanding Student Poster Awards, 2017-2019.
 - Alabama faculty team leader, SEDAAAG World Geography Bowl, 2018.
 - Graduate committee member for one M.Sc. and one Ph.D. student, University of Alabama, 2018-2019.
 - Reviewer for *Climate, Climate Research, Earth's Future, Energies, Hydrol. Earth Syst. Sci., Journal of Applied Meteorology and Climatology, Renewable Energy, The Southeastern Geographer, Theoretical and Applied Climatology, Water, Water Resources Management*.
 - Judge, Alachua County Regional Science Fair, 2017.
 - Volunteer, University of Florida Water Institute Symposium, 2016.
 - Mentor for incoming international graduate students, Graduate Student Council, University of Florida, 2015-2016.
 - Volunteer, Gainesville Rabbit Rescue, 2015-2016.
 - Graduate student representative, Geography Department, University of Florida, 2014-15.
 - Mentor, Minority Mentor Program, University of Florida, 2013-14.
 - Volunteer, Trans-Atlantic Science Student Exchange Program, University of Florida, 2012-2014.
-

FIELD WORK

Wind turbine siting ▪ Stream flow measurements ▪ Water quality measurements ▪ Light and CO₂ flux measurements ▪ Remote Sensing: Collection of training samples ▪ Topographic surveying

PROFESSIONAL MEMBERSHIPS

American Geophysical Union ▪ Southeastern Division of the Association of American Geographers

SKILLS SUMMARY

Languages

Swedish –native
English –fluent
German -intermediate
Italian -basic

Computing skills

ArcGIS, Idrisi, Linux, MatLab, Microsoft Office, R, SPSS, Windows, WindPro, and QGIS.

Driver's license

European Union driver's license since April 2005
United States driver's license since August 2014
