## **Education**

Master of Science in Human Geography	<b>2015-2018</b>
Institute of Geographical Sciences and Natural Resources Research, Chinese Academy of Sciences	
<b>Thesis:</b> <i>Exploring competitive patterns and mechanism between high-speed rail and air transportation</i>	
Bachelor of Geography	<b>2011-2015</b>
School of Geography, Beijing Normal University	
<b>Thesis:</b> <i>A comparative research of inter-city networks from the perspective of railway and air passenger flow; Awarded as excellent graduation project</i>	

---

## **Work Experience**

Assistant urban planner	<b>2018.7-2021.2</b>
Chengdu Institute of Planning&Design	

---

## **Publications**

### **Peer-reviewed Journals:**

Wang,J.,Huang,J.,**Jing,Y.**(2020) Competition between high-speed trains and air travel in China: from spatial to spatial-temporal perspective[J]. *Transportation Research Part A: Policy & Practice*, 133(3):62-78.

Wang,J.,**Jing,Y.**,Yang,H.(2020)The spatio-temporal evolution of China's HSR-air competition network and its expansional mode. *Scientia Geographica Sinica*, 40(5): 675-684.(In Chinese)

Wang,J.,**Jing,Y.**,Yang,H. (2019) Impacts of high-speed rail on China's domestic air transportation[J]. *Journal of Natural Resources*, 34(9):1933-1944. (In Chinese)

Wang,J.,**Jing,Y.** (2017) Comparison of Spatial Structure and Organization Mode of Inter-city Networks from the Perspective of Railway and Air Passenger Flow. *Acta Geographica Sinica*, 72(8):1508-1519. (In Chinese)

### **Book Chapters**

Zhou,S.,Luo,M.,Ding,Y.,**Jing,Y.**(2017).“Case Studies on Urban Community Elderly Care Facilities in China”. In S. Zhou, H. Zhang, J. Dai and Y.Cheng (Eds.), *Research on Age-friendly Environment in Rapid Urbanizing China*.Science Press.

---

## **Conference Presentations**

**Jing,Y.**, Wang,J.,(2018, April). *The Competition between High-speed Rail and Air Travel in China: a Spatio-temporal Perspective*. Paper presented at the AAG Annual Meeting, New Orleans, USA.

**Jing,Y.**, Wang,J.,(2016, June). *The evolution of spatial pattern of equipment manufacturing industry in China*. Paper presented at the Annual Meeting of Economic Geography across the Taiwan Straits, Fuzhou, China.

---

## **Honors and Awards**

- Merit Student Award, Chinese Academy of Sciences, 2017
- Academic Scholarship, Chinese Academy of Sciences, 2016
- Academic Scholarship, Beijing Normal University, 3 consecutive years from 2012 to 2014
